

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. REPORT

—OF THE—

CHIEF COMMISSIONER OF PUBLIC WORKS,

For the Year Ended 31st October, 1877.

*To the Honorable Samuel Leonard Tilley, C. B., Lieut.-Governor
of the Province of New Brunswick.*

MAY IT PLEASE YOUR HONOR.—

I have the honor to lay before you my Report, as by law required, of all Public Works done under the Supervision of my Department, together with the Expenditures on the same for the year ending 31st October, 1877.

Statements Nos. 1 to 4 in Appendix **A**, are Abstracts of all Payments under the heads of Expenditures for Roads, Bridges, and Public Buildings; Statement No. 5 is a Summary of all Receipts and Payments whatever, by the Department, for the year.

The following is a comparison of the Expenditure for 1877 with that of 1876:

	1877.	1876.
1. Great Roads and Bridges,	\$113,010 43	\$109,773 51

4. Steam Navigation,	6,973 00	11,541 71
5. Departmental Expenses,	1,440 33	1,242 03
6. Miscellaneous Accounts,	4,630 13	4,387 89
	<hr/> \$134,340 83	<hr/> \$131,944 40

In the foregoing amount (No. 1,) for Great Roads and Bridges, the proportion charged to the annually appointed Supervisors is .. **\$51,991 40**

Sub-divided as follows :

New Bridges,	\$8,214 74
Repairs of Bridges,	12,661 23
Roads,	23,702 31

Balance being the aggregate of Commissions and allowances to Supervisors, affected by previous balances, as shown in the Report of the Auditor General, copy appended under letter **C**,

.. **7,413 12**

\$51,991 40

Add,

Amount Expended on Bridges under special Supervision, as per Statement No. 2, Appendix **A**,

\$53,720 01

Miscellaneous Special Expenditures, as per Statement No. 3, Appendix **A**,

\$7,299 02

Making a total Expenditure on Great Roads and Bridges for the past year of

\$113,010 43

In Appendix **B**, will be found the details of disbursements by the several Supervisors on their respective roads, arranged in the numerical order of said roads to which is added the Abstract Statement of the whole Expenditure for 1877, and an Estimate for the current year.

BRIDGES.

The Expenditure on these Works under charge of the Supervisors amounts to \$20,875 97 for the year, exclusive of Commission. Of this sum \$8,214 74 has been applied to erecting 40 new bridges, and the balance, \$12,661 23 in repairing 180 others.

LEGISLATIVE AND OTHER GOVERNMENT BUILDINGS.

The Expenditure on the Legislative Buildings, Rooms of the Supreme Court and Public Offices, for the past year, (including some Accounts from previous year,) amounts to \$3,414 58.

The Expenditure upon Government House and Wharf for the past year is as follows :—

TWENTY-FOURTH
ANNUAL REPORT
OF THE
CHIEF COMMISSIONER
OF
PUBLIC WORKS,
NEW BRUNSWICK,
1878.

Laid before the Legislature by Order of His Honor
the Lieutenant-Governor.

SAINT JOHN, N. B. :
GEORGE W. DAY, STEAM BOOK AND JOB PRINTER, 57 CHARLOTTE STREET.
1879.

REPORT

OF THE

CHIEF COMMISSIONER OF PUBLIC WORKS,

For the Year ended 31st October, 1878.

To His Honor EDWARD BARRON CHANDLER, Lieutenant Governor of the Province of New Brunswick.

MAY IT PLEASE YOUR HONOR,—

In accordance with the duties of the Chief Commissioner of Public Works, which duties have devolved upon me since the 13th day of July last past, I have the honor to submit my Report of all Public Works done under the supervision of the Department, together with the Expenditures on the same for the year ending the 31st day of October, 1878.

Statements No. 1 to 4 inclusive in Appendix **A**, are Abstracts of all Payments under the heads of Expenditures for Roads, Bridges and Public Buildings.

Statement No. 5 is a Summary of all Receipts and Payments whatever by the Department for the year.

Appendix **B** contains the details of Disbursements by the several Supervisors on their respective Roads, to which is added the Abstract Statement of the whole Expenditure for 1878, and an Estimate, as furnished by the Supervisors, for the current year.

The following is a comparison of the Expenditure for 1878 with that of 1877.

	1878.	1877.
1. Great Roads and Bridges,	\$113,419 30	\$113 010 43
2. Legislative and all other Public Buildings,	7,979 07	6,324 74
3. Lunatic Asylum—		
Ordinary expenses, \$1,745 60		
Repairs New Wing, 13,800 00		
	15,545 60	1,962 20
4. Steam Navigation,	7,175 00	6,973 00
5. Departmental Expenses,	1,491 08	1,440 33
6. Miscellaneous Accounts,	12,201 86	4,630 13
	<u>\$157,811 91</u>	<u>\$134,340 83</u>

In the foregoing amount (No. 1) for Great Roads and Bridges, the proportion charged to the annually appointed Supervisors is—

Sub-divided as follows:

New Bridges,	\$10,646 65	
Repairs of Bridges,	8,657 58	
Roads,	25,847 67	
Balance being the aggregate of Commis- sions and Allowances to Supervisors, affected by previous balances, as shewn in the Report of the Auditor General, copy appended under letter C,	\$11,416 84	\$56,568 74
Add :		
Amount Expended on Bridges under Special Super- visor as per Statement No. 2, Appendix A,		47,039 50
Miscellaneous Special Expenditures, as per State- ment No. 3, Appendix A,		9,811 06
Making a total Expenditure on Great Roads and Bridges for the past year of		<u>\$113,419 30</u>

BRIDGES.

The Expenditure on these Works under charge of the Supervisors amounts to \$19,304.23 for the year, exclusive of commission. Of this sum \$10,646.65 has been applied to erecting 44 New Bridges, and the balance, \$8,657.58, in repairing 151 others.

LEGISLATIVE AND OTHER GOVERNMENT BUILDINGS.

The Expenditure on the Legislative Buildings, Rooms of the Supreme Court and Public Offices, for the past year, (including some accounts from previous years) amounts to \$2,884.54.

The Expenditure on Government House, for the past year, is as follows :

In Out-buildings and Repairs to House—

Carpentry,	\$721 92
Masonry,	360 03
Painting, &c.,	168 64
